

# Free Vet Exam

The generous Vet Clinics listed on this flyer have offered a \*FREE\* medical exam to our adopters! This offer is for animals that are adopted from Collier County Domestic Animal Services. You have up to 10 days, from the date of your adoption to make an appointment with one of these Vet Clinics. Don't miss out on this amazing (and free!) opportunity to form a relationship between you, your new pet, and a vet in our community. When you call for an appointment, be sure to mention this offer (you may be required to bring a copy of your adoption contract to the appointment with you). Don't forget to bring your adoption folder to the appointment with you too – it contains important medical records that you'll want to show your vet.
